## Long

From as early as he can remember; Shaun Wane's life has been a series of challenges.

As the third child of four, he grew up in a volatile household on a tough estate in Wigan, UK. Shaun was expelled from High School before he had the chance to gain any academic qualifications. Having been conditioned to endure physical punishment and with a ferociously competitive nature, the game of Rugby League had long been a sport that Shaun excelled at and, at the age of fifteen, he was signed to Wigan RLFC by Maurice Lindsay.

Shaun channelled his aggression, his physicality and his competitive nature into playing rugby league at the highest level. He was signed to Wigan at the age of 16 and made 149 appearances for the club before spells at Leeds and Workington. He also earned two caps for Great Britain and captained the under 21's team.
